

May 15, 2025

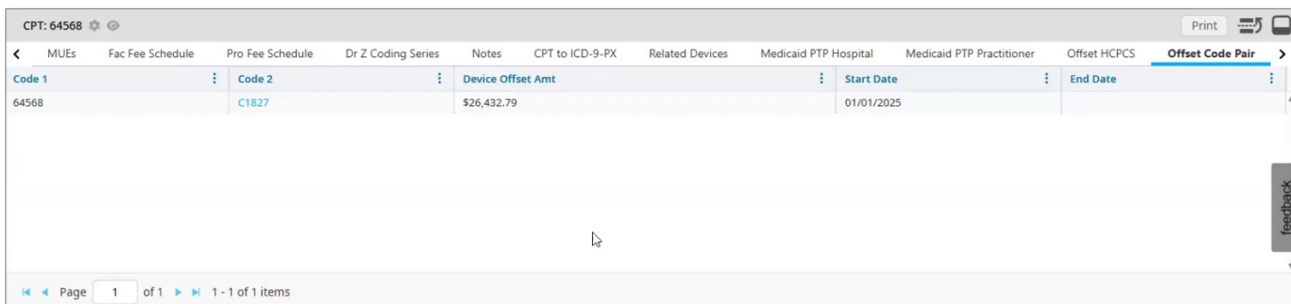

Review the latest VitalKnowledge features and enhancements. For more help and step-by-step instructions, go to the [VitalKnowledge Docs](#).

Missed a release? See the [May 01, 2025](#) or [April 17, 2025](#) releases.

## New Features and Enhancements

### New tabs for offset data

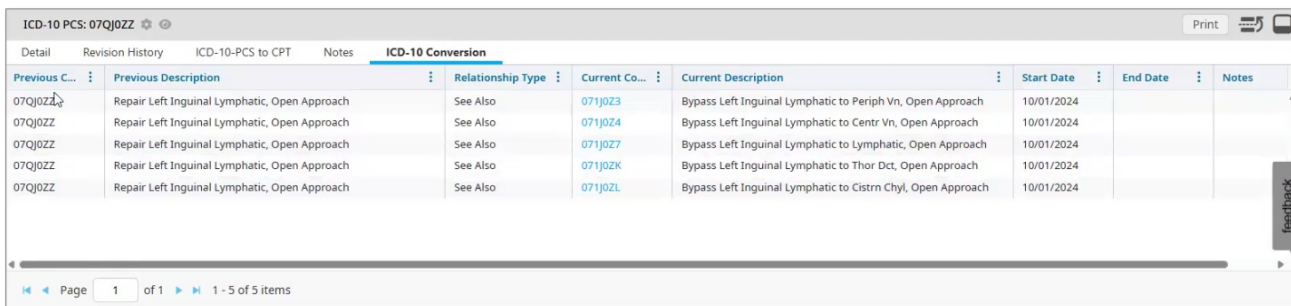

The offset data is no longer featured in the APC tab on the Code Detail pane, and it is now available in the new Offset HCPCS and Offset Code Pair tabs.

| Code 1 | Code 2 | Device Offset Amt | Start Date | End Date |
|--------|--------|-------------------|------------|----------|
| 64568  | C1827  | \$26,432.79       | 01/01/2025 |          |

### ICD-10 Conversion tab

The Code Detail pane now features the ICD-10 Conversion tab, allowing you to view the ICD-10 conversion tables.

| Previous C... | Previous Description                          | Relationship Type | Current Co... | Current Description                                          | Start Date | End Date | Notes |
|---------------|-----------------------------------------------|-------------------|---------------|--------------------------------------------------------------|------------|----------|-------|
